

Lampion T1

Design
Emmanuel Gallina

Year
2009

Description

Lampion was inspired by coloured paper lanterns and are wonderfully festive, for both exteriors and interiors. It can be hung from the branches of a tree, from a wall - by using the transparent plastic supports - or simply placed on the ground or table. The exterior version comes with a neoprene mains cable and both models use bulbs to provide excellent light with energy savings.

Materials

Silicone coloured diffuser. Transparent power cable with on/off switch.
