TOY

design by Philippe Starck

Year of production: 2001/2006/2009

Dimensions: W.60 D.60 H.73

Weight:

Gross weight: 15 kg

Packing volume: 0,293 mc

Finish: white B1, orange E1, red R4, charcoal black.

Packing unit: one piece each colour

Tests applied:

Use: indoor/outdoor

Technical specifications: structure and table top printed in Polyethylene (PE), 4/6 mm thick with antistatic and anti UV additives. Internally both table top and base are co-printed with expanded polyethylene for stability and flatness of the top and rigidity of the support column. A zinc-plated steel insert is added during the printing to provide stability. Base/top joined with stainless steel screws, guaranteed for outdoor use.

Maintenance: use liquid and neutral washing products., avoid alcohol, solvent and in general all products containing ammonia.
